

Graduates & Student Placements

We understand how important it is to get some exposure to working life during your studies. We offer internships to students, who are in their last year of university studies. To find out more, please do not hesitate to contact us.

Our graduate positions are a fantastic opportunity to transition from University to the workforce. We employ graduates from a range of health disciplines including occupational therapy, physiotherapy, exercise physiology, psychology and rehabilitation counselling. As a graduate, you will be provided with a variety of training and development opportunities, an attractive remuneration package in a challenging, rewarding and supportive work environment. Graduates will experience Altius Group's business through on-the-job learning in different work areas.

What We Are Looking For

Altius Group can offer you a challenging and rewarding career where you benefit from being part of a multidisciplinary team of allied health professionals. We are uniquely positioned to deliver end to end health solutions for employees and employers throughout the lifecycle of employment in locations around Australia.

Altius Group seeks Graduates who are innovative, passionate, energetic, resilient and enthusiastic. Our Graduates will value and enjoy being part of a high performing and dynamic organisation.

We are looking for Graduates that are:

- Honest and truthful with others
- Capable of delivering high quality performance
- Resilient, with the ability to adapt to change
- Collaborative in their approach
- Find innovative, practical solutions

Eligibility

To be considered for Altius Group's Graduate Positions, applicants must:

- Be an Australian Citizen or Permanent Resident.
- Have completed an undergraduate degree in Health discipline.
- Attained association registration or membership (AHPRA, ASORC, ESSA).
- Have a driver license and car (preferable).

What We Offer You

- A full time permanent position
- An attractive remuneration package
- A three month tailored induction program
- Your own personal development plan
- Professional development support
- The opportunity to purchase additional leave
- Access to an Employee Assistance Program
- A social life via our social club and events

How to Apply?

We often advertise positions that are suitable for fresh graduates. If you are unable to find an open position suitable for you, please:

1. Visit our Job Listings page
2. Attach your resume with a cover letter
3. In the cover letter, please include:
 - The name of your degree
 - The date you completed your degree
 - University name
 - Availability to start
 - Location preference
